

# Protocol meeting 6

Date: 2021-03-02

Time: 08:15

President: Assar Orpana

Secretary: Victor Krook

---

## §1 Welcome

Assar opens the meeting 08:17.

## §2 How's it going?

Everyone is doing OK.

## §3 Reviews

Assar describes the plan for the reviews in phase 3.

## §4 This weeks schedule

- Assar describes the schedule for the week.
- Discussion comes up where people from Database might be able to help the rest of Backend in Developer Group. No decision is taken.
- People find it difficult to fully understand how the system functions with Java.
- The decision to move people to Frontend is taken. 2 from SG will help the Frontend group in phase 3.

## §5 Phase 4

The following documents shall be produced for phase 4:

- PFR
- SVVR
- SSD

After the meeting everyone should join their smaller group to discuss what their next action is.

Meeting closed.
