

Informal Review 2, Phase 1

Date: 2021-02-10

President: Assar Orpana

Secretary: Victor Krook

§1 SRS

- The reviewees found mainly gramatical erros and typos.
- The group decides that Figure 1 should be removed.
- Several weak definitions, such as "all", was found. These should be changed because they can lead to unclear requirements.

§2 SVVS

- The reviewees found gramatical errors and typos. These will be fixed.

§3 SDP

- The reviewees minor found gramatical errors and typos. These will be fixed.

§4 Moving forward

The reviewers gives the groups responsible for each document their notes and all groups will make appropriate changes to their document. The documents should be fixed and available in the *development* branch on github by 13:00 Thursday 11/02.

Meeting closed.
